Dear Mr. Schwartztol:

As agreed to in *The Protect Democracy Project v. U.S. Department of Homeland Security, et al.*, Case No. 17-cv-2202, this is the first interim response to your Freedom of Information Act (FOIA) request to U.S. Customs and Border Protection (CBP), on behalf of The Protect Democracy Project, in which you are seeking records pertaining to unaffiliated border enforcement groups in the San Diego Sector including: Arizona Border Recon, Arizona Militia, Citizen Defenders, The Minutemen Project, Rusty's Rangers, Texas Militia or Three Percent United Patriots.

A search of CBP databases produced 436 pages of records responsive to your request. CBP has determined that the 419 pages are partially releasable, pursuant to Title 5 U.S.C. § 552 (b)(6), (b)(7)(C), and (b)(7)(E), 13 pages have been withheld in full pursuant to Title 5 U.S.C. § 552 (b)(7)(E), and four (4) pages are released in full.

Uploaded to your FOIAonline account and attached to this email are 436 pages with certain information withheld as described below:

FOIA Exemption (b)(6) exempts from disclosure personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public's right to disclosure against the individual's right privacy. The types of documents and/or information that we have withheld may consist of birth certificates, naturalization certificates, driver license, social security numbers, home addresses, dates of birth, or various other documents and/or information belonging to a third party that are considered personal. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test.

FOIA Exemption (b)(7)(C) protects records or information compiled for law enforcement purposes that could reasonably be expected to constitute an unwarranted invasion of personal privacy. This exemption takes particular note of the strong interests of individuals, whether they are suspects, witnesses, or investigators, in not being unwarrantably associated with alleged criminal activity. That interest extends to persons who are not only the subjects of the investigation, but those who may have their privacy invaded by having their identities and information about them revealed in connection with an investigation. Based upon the traditional recognition of strong privacy interest in law enforcement records, categorical withholding of information that identifies third parties in law enforcement records is ordinarily appropriate.

FOIA Exemption (b)(7)(E) protects records compiled for law enforcement purposes, the release of which would disclose techniques and/or procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law. CBP has determined that disclosure could reasonably be expected to risk circumvention of the law.

This completes CBP's first interim response to your request. If you have questions or concerns regarding this interim response, you may contact Assistant United States Attorney Scott L. Sroka at (202) 252-7113 or email Scott.Sroka@usdoj.gov.

Please notate file number CBP-2017-077572 on any future correspondence to CBP related to this request.

Sincerely,

Shut Down All Ports Of Entry

September 20, 2014

Mission Statement:

We are a representation of Americans who are unsettled and deeply concerned with our current Administration, in all branches of Federal and State governments. Our mission is to Shut Down, every United States' Port of Entry on the Southern Border, until our Goals are met.

This action will force the elected officials in The United States and Mexico, to come up with a permanent and legitimate solution for dealing with the Illegal Immigration issue, enforce our rule of law, and bring our Marine, Sgt. Tahmooressi, home. This protects all American citizens and those legal immigrants who wish to come here through legal channels.

.....

The Border Shut Down will remain in place, until our Goals are met, in writing, from both the United States and the Mexican governments. All documentation, in compliance to our Goals, must be official and legally binding. By doing this, we will stop approximately 1.4 Billions dollars of trade, per day, from going into, and out of, Mexico and The United States of America.

Our Goals, as follows, are non-negotiable:

1. Immediately and unconditionally, release Sgt. Andrew Tahmooressi.
2. Give the United States Border Patrol and ICE Agents back their authority to complete their job and defend the immigration laws of The United States. Allow them to detain and remove, any and all illegal aliens, *especially* including armed gang members, cartel members, and drug mules; overturning current procedure. End "catch and release", permanently.
3. A clear plan of action and confirmed intent to permanently seal off our Southern border, by means of a military grade fence with razor wire (or similar equivalent) *and* adding any and all additional Border Patrol Agents and militarized National Guard members needed to further deter any unauthorized entry. The Southern border **MUST** be sealed.
4. All foreign aid currently designated for Mexico is bookmarked for a plan of action to build up their middle class. All funding for countries supporting any terrorist organization (ISIS, Muslim Brotherhood, Hamas, Al Qaeda, etc.) are to be immediately halted and disbanded.
5. Repeal the Trust Act and enforce all Federal Immigration Laws, ensuring there are no more Sanctuary Cities.
6. Immediately end all Federal and State government financial, educational and medical assistance to all illegal aliens.
7. Enforce current Federal Law, which prevents any person, group, business, organization or local government from harboring or hiring an illegal alien. Penalties upon conviction include criminal fines, imprisonment, and forfeiture of vehicles and real property used to commit the crime.
8. Grant immunity and fear from retaliation for all protesters involved in this protest that have conducted themselves in a peaceful manner and not used this forum to conduct criminal activities.

May God Bless America and the citizens that stand in defense of her!

The following information is being disseminated at the request of the CBF(b) (7)(E) .

(U//FOUO) Armed Biker Gang Plans "Draw Muhammad Cartoon Contest/Protest"—Phoenix, Arizona.

28 May 2015

(U//FOUO) In response to the Garland, Texas attack at the "Draw Muhammad Contest" on 03 May 2015, an event called "Freedom of Speech Rally Round II" including a "Draw Muhammad Contest" is scheduled to take place in front of the Islamic Community Center of Phoenix at 7516 N Black Canyon Hwy, Phoenix, Arizona 8505, on 29 May 2015 at 6:15 PM MST, according to open source media analysis.

(U//FOUO) The event is being hosted by a motorcycle enthusiast with links to the Hell's Angels, Arizona State Militia and numerous atheist and anti-religious groups. Participants have been actively encouraged to bring firearms to the event "just in case our first amendment comes under the much anticipated attack."

(U//FOUO) 163 people have RSVP'd for the event so far according to open media sources, the official "Freedom of Speech Rally Round II" page shows 293 individuals "interested" in attending the event. Following the main rally, an after party will be held at a nearby saloon called "Wild Bill's" where the "Draw Muhammad Cartoon Contest" winner will be announced.

(U//FOUO) According to open source media reports, the event has gained national attention, drawing both support and condemnation. According to analysis of public media commentary, many participants plan on wearing clothing and using inflammatory depictions of religious figures at the event.

(U//FOUO) Currently there are no known specific threats at this time against the event titled "Freedom of Speech Rally Round II"; however, homegrown violent extremists inspired by Islamic State of Iraq and the Levant (ISIL) or al-Qaida could conduct retaliatory attacks either locally or elsewhere in the United States without any advanced warning.

Situational Awareness Update

29 May 2015

(U) Summary: At 2258 on 28 May, Twitter(USPER) user (b)(6);(b)(7)(C) began issuing English-language tweets listing the name and address of a US citizen organizing a "Draw the Prophet" event in Arizona and threatening the event with "an IED" attack.

— One post stated, "Whats your little handguns going to do against an IED that sprays 3000+ ball bearings faster than the speed of sound? #Phoenix #AZ."

(U//FOUO) Armed Biker Gang Plans "Draw Muhammad Cartoon Contest/Protest"—Phoenix, Arizona.

28 May 2015

(U//FOUO) In response to the Garland, Texas attack at the "Draw Muhammad Contest" on 03 May 2015, an event called "Freedom of Speech Rally Round II" including a "Draw Muhammad Contest" is scheduled to take place in front of the Islamic Community Center of Phoenix at 7516 N Black Canyon Hwy, Phoenix, Arizona 8505, on 29 May 2015 at 6:15 PM MST, according to open source media analysis.

(U//FOUO) The event is being hosted by a motorcycle enthusiast with links to the Hell's Angels, Arizona State Militia and numerous atheist and anti-religious groups. Participants have been actively encouraged to bring firearms to the event "just in case our first amendment comes under the much anticipated attack."

(U//FOUO) 163 people have RSVP'd for the event so far according to open media sources, the official "Freedom of Speech Rally Round II" page shows 293 individuals "interested" in attending the event. Following the main rally, an after party will be held at a nearby saloon called "Wild Bill's" where the "Draw Muhammad Cartoon Contest" winner will be announced.

(U//FOUO) According to open source media reports, the event has gained national attention, drawing both support and condemnation. According to analysis of public media commentary, many participants plan on wearing clothing and using inflammatory depictions of religious figures at the event.

(U//FOUO) Currently there are no known specific threats at this time against the event titled "Freedom of Speech Rally Round II"; however, homegrown violent extremists inspired by Islamic State of Iraq and the Levant (ISIL) or al-Qaida could conduct retaliatory attacks either locally or elsewhere in the United States without any advanced warning.

Shut Down All Ports Of Entry

September 20, 2014

Mission Statement:

We are a representation of Americans who are unsettled and deeply concerned with our current Administration, in all branches of Federal and State governments. Our mission is to Shut Down, every United States' Port of Entry on the Southern Border, until our Goals are met.

This action will force the elected officials in The United States and Mexico, to come up with a permanent and legitimate solution for dealing with the Illegal Immigration issue, enforce our rule of law, and bring our Marine, Sgt. Tahmooressi, home. This protects all American citizens and those legal immigrants who wish to come here through legal channels.

.....

The Border Shut Down will remain in place, until our Goals are met, in writing, from both the United States and the Mexican governments. All documentation, in compliance to our Goals, must be official and legally binding. By doing this, we will stop approximately 1.4 Billions dollars of trade, per day, from going into, and out of, Mexico and The United States of America.

Our Goals, as follows, are non-negotiable:

1. Immediately and unconditionally, release Sgt. Andrew Tahmooressi.
2. Give the United States Border Patrol and ICE Agents back their authority to complete their job and defend the immigration laws of The United States. Allow them to detain and remove, any and all illegal aliens, *especially* including armed gang members, cartel members, and drug mules; overturning current procedure. End "catch and release", permanently.
3. A clear plan of action and confirmed intent to permanently seal off our Southern border, by means of a military grade fence with razor wire (or similar equivalent) *and* adding any and all additional Border Patrol Agents and militarized National Guard members needed to further deter any unauthorized entry. The Southern border **MUST** be sealed.
4. All foreign aid currently designated for Mexico is bookmarked for a plan of action to build up their middle class. All funding for countries supporting any terrorist organization (ISIS, Muslim Brotherhood, Hamas, Al Qaeda, etc.) are to be immediately halted and disbanded.
5. Repeal the Trust Act and enforce all Federal Immigration Laws, ensuring there are no more Sanctuary Cities.
6. Immediately end all Federal and State government financial, educational and medical assistance to all illegal aliens.
7. Enforce current Federal Law, which prevents any person, group, business, organization or local government from harboring or hiring an illegal alien. Penalties upon conviction include criminal fines, imprisonment, and forfeiture of vehicles and real property used to commit the crime.
8. Grant immunity and fear from retaliation for all protesters involved in this protest that have conducted themselves in a peaceful manner and not used this forum to conduct criminal activities.

May God Bless America and the citizens that stand in defense of her!

Dear Patriots:

This is not going to be a one-day event. This is meant to be a standoff, between American Patriots and those who seek to destroy our Constitution and our Sovereignty. We will be there, as long as it takes...period.

We have 25 Ports of Entry to close, along the US/Mexico border. We are doing this simultaneously, beginning at 8am PST. Specific meeting locations will be arranged, as the day approaches, because of security.

Our goal:

Patriots need to arrive in HUGE vehicles, semis, trucks, RV's, etc. Use your imagination! We need to stop our vehicles as close to the ports (incoming and outgoing) as possible, on the freeway and off of Federal land.

Bring food, water, blankets, sunscreen, signs, chairs, tarps, American Flags, etc. Anything you need to "stick it out".

Our mission is to officially stick this out! We can win this, if our will is stronger than theirs!

One note: Absolutely no abuse of law enforcement personal will be tolerated! No taunting or disrespect, whatsoever! We are fighting for their rights, just as much as ours.

We have the Constitutional right to peacefully protest and assemble. The Constitution does NOT say it has to be in a "1st Amendment Zone"; that goes against the entire premise.

Again, please bear with us. We are individuals, coming together....to Save Our Country and Bring Sgt. Tahmooressi home!

I realize that some of you are frightened of what "might" happen. Truth is, anything can happen. Be mentally prepared for that. This is not a fight for the weak minded or weak hearted. This is a fight that true Patriots feel strongly about! It's time our Government remembers that they work for the American People and the will of the American People is strong!

We are uniting under our 10 Goals. That's it. Keep it simple. I realize there are many things wrong with our Nation that must be addressed. We are starting with our Sovereignty and working inwards.

If you have any questions, please feel free to ask. Any suggestions? They are all welcomed! Just remember to be courteous and respectful.

As for each of the ports.... we need volunteers to head up each port. California has two ports covered (San Ysidro and Otay Mesa) and Texas has a few covered (edit in a few). If you are interested, please PM Barbie or me (Stasyi) to request an entry point. As Barbie mentioned before, this is not a light assignment. You will be the main contact person for that area and are responsible for all in attendance.

Sign-ups for each port are coming soon. That way, we know how to spread our resources and you know where you are most needed.

I will continue to give updates, as the need arises.

Take care and thank you for your patience.

May God Bless America and the citizens that stand in defense of her!

Shut Down All Ports Of Entry

September 20, 2014

Mission Statement:

We are a representation of Americans who are unsettled and deeply concerned with our current Administration, in all branches of Federal and State governments. Our mission is to Shut Down, every United States' Port of Entry on the Southern Border, until our Goals are met.

This action will force the elected officials in The United States and Mexico, to come up with a permanent and legitimate solution for dealing with the Illegal Immigration issue, enforce our rule of law, and bring our Marine, Sgt. Tahmooressi, home. This protects all American citizens and those legal immigrants who wish to come here through legal channels.

.....

The Border Shut Down will remain in place, until our Goals are met, in writing, from both the United States and the Mexican governments. All documentation, in compliance to our Goals, must be official and legally binding. By doing this, we will stop approximately 1.4 Billions dollars of trade, per day, from going into, and out of, Mexico and The United States of America.

Our Goals, as follows, are non-negotiable:

1. Immediately and unconditionally, release Sgt. Andrew Tahmooressi.
2. Give the United States Border Patrol and ICE Agents back their authority to complete their job and defend the immigration laws of The United States. Allow them to detain and remove, any and all illegal aliens, *especially* including armed gang members, cartel members, and drug mules; overturning current procedure. End "catch and release", permanently.
3. A clear plan of action and confirmed intent to permanently seal off our Southern border, by means of a military grade fence with razor wire (or similar equivalent) *and* adding any and all additional Border Patrol Agents and militarized National Guard members needed to further deter any unauthorized entry. The Southern border **MUST** be sealed.
4. All foreign aid currently designated for Mexico is bookmarked for a plan of action to build up their middle class. All funding for countries supporting any terrorist organization (ISIS, Muslim Brotherhood, Hamas, Al Qaeda, etc.) are to be immediately halted and disbanded.
5. Repeal the Trust Act and enforce all Federal Immigration Laws, ensuring there are no more Sanctuary Cities.
6. Immediately end all Federal and State government financial, educational and medical assistance to all illegal aliens.
7. Enforce current Federal Law, which prevents any person, group, business, organization or local government from harboring or hiring an illegal alien. Penalties upon conviction include criminal fines, imprisonment, and forfeiture of vehicles and real property used to commit the crime.
8. Grant immunity and fear from retaliation for all protesters involved in this protest that have conducted themselves in a peaceful manner and not used this forum to conduct criminal activities.

May God Bless America and the citizens that stand in defense of her!
